Notes:

(1) "Latest Review" date may indicate a full review (as when someone initially joins the project or when a new revision of the COI Plan calls for re-reviewing all personnel) or a supplemental review when potentially pertinent information became apparent. "R3" indicates that a full review was conducted under Rev. 3 of the SC&A COI Plan.

(2) Site abbreviations:

- ANL            Argonne National Laboratory
- BNL            Brookhaven National Lab
- BMI            Battelle Memorial Institute
- ETTP          East Tennessee Technology Park
- INL            Idaho National Laboratory
- LAMPF        Los Alamos Meson Physics Facility
- LANL          Los Alamos National Lab
- LBL            Lawrence Berkeley National Laboratory
- LLNL          Lawrence Livermore National Laboratory

NTS	Nevada Test Site
ORAU	Oak Ridge Associated Universities
ORNL	Oak Ridge National Lab
PGDP	Paducah Gaseous Diffusion Plant
PPG	Pacific Proving Grounds
SNL	Sandia National Laboratory
SRS	Savannah River Site
